Element Group(s)**Element Group authors**

Namespace	No namespace
-----------	--------------

Annotations	Each data element can have 0 or more individual and/or organizational authors
Diagram	<p>The diagram illustrates the 'authors' group structure. It starts with a box labeled 'authors' with a small square icon. A line connects it to a circle containing a plus sign and a small square icon. From this circle, two lines branch out to two boxes: 'person' and 'organization'. Both boxes have a small square icon. Above the 'person' box is the cardinality '0..∞' and below the 'organization' box is '0..∞'. Both boxes also have a small circle with a plus sign in the top right corner.</p>
